Financial Education Webinar: "Texas Children's Savings Accounts"

Date	Time	Topic	Guest Speakers
Tuesday May 13, 2014	2:30 – 3:30 PM Central Time	"Texas Children's Savings Accounts"	Mr. Don Baylor, Jr. Senior Policy Analyst, Economic Opportunity Center for Public Policy Priorities (CPPP) Ms. Laura Rosen Project Coordinator OpportunityTexas

The Texas Department of Banking and the Federal Deposit Insurance Corporation (FDIC) are co-hosting a free webinar on May 13th. The goal of this webinar is to learn about the new Texas Children's Savings Account initiative. Research has found that students with college savings accounts in their name are four to six times more likely to attend college than their counterparts who don't have accounts. To support and enhance the rollout of Texas' new K-8 math personal financial literacy standards going into effect in the 2014-15 school year, OpportunityTexas, a partnership between RAISE Texas and Center for Public Policy Priorities (CPPP), is seeking to identify a blueprint for a new statewide in-school children's banking initiative connected to Texas new K-8 financial education curriculum. We invite you to join us and learn about this new initiative. Participants include financial institutions, government agencies, non-profit organizations, businesses, teachers, consumers and community leaders who are committed to or are interested in financial education. Participation is free; however, registration is required to obtain webinar instructions.

Reserve your seat today. For questions, contact the Financial Education Coordinator via [email](#) or at (512) 475-1337.
