The Texas Department of Banking is hosting a free webinar on June 23rd. The goal of this webinar is to highlight OpportunityTexas' strategy to expand children's savings account for college in Texas alongside Texas' K-8 math financial education curriculum. Speakers will share the outcomes of the Dollars for College savings pilot programs in Richardson and Pflugerville, Texas. Two school districts and two local financial institutions participated in the pilot program. They will also talk about the next steps for this work and how you can get involved.

Participants of this webinar include: financial institutions, government agencies, non-profit organizations, businesses, teachers, students, consumers, and community leaders who are committed to or are interested in financial education. Participation is free; however, [registration](#) is required to obtain webinar instructions. Seating is limited.

For questions, contact the Financial Education Coordinator via [email](#) or at (512) 475-1337.
