This Order does not constitute an admission by Respondent that Chapter 151 or a rule adopted, or order issued under Chapter 151 has been violated.
9. The Commissioner has considered this matter and finds as follows:
  - a. Respondent is a human capital management solutions company that has been operating in Texas since 2012. Respondent offers employer-clients both payroll and tax filing payment services.
  - b. On June 20, 2019, Respondent contacted the Department seeking a money transmission license determination.

- c. On December 23, 2019, the Department issued Respondent a determination letter stating that Respondent needed to obtain a money transmission license to continue offering its payment services to clients in Texas.
- d. On February 28, 2020, Respondent filed a temporary license application with the Department. The application was approved, and a temporary license was issued in the name of iSolved HCM Services, LLC dba PAI Services, LLC, on April 2, 2020.
- e. Under Finance Code § 151.301(b)(4), money transmission means “the receipt of money or monetary value by any means in exchange for a promise to make the money or monetary value available at a later time or different location.” The Finance Code defines engaging in the business of money transmission as receiving compensation or expecting to receive compensation, directly or indirectly, for conducting money transmission. Finance Code § 151.302(b). The Department has concluded that by receiving funds in exchange for a promise to distribute those funds at a later time or different location, Respondent is conducting money transmission.
- f. Finance Code § 151.302(a) provides that “a person may not engage in the business of money transmission or advertise, solicit, or hold itself out as a person that engages in the business of money transmission” without a license unless it is an authorized delegate of a license holder, is excluded from licensure under Chapter 151, or has been granted an exemption under Chapter 151.
- g. As described above, the Department has concluded that: (i) Respondent is conducting money transmission in Texas; (ii) prior to January 27, 2020, the Department had not licensed Respondent; (iii) Respondent is not an authorized delegate of a license holder; (iv) Respondent is not excluded from licensure under Chapter 151; and (v) Respondent

has not been granted an exemption under Chapter 151. Consequently, the Commissioner finds that Respondent is in violation of Finance Code § 151.302.

- h. As required by Finance Code § 151.707(d), the Commissioner has considered the seriousness of the violations, Respondent's compliance history, and Respondent's good faith in attempting to comply with Chapter 151.
  - i. Based on these findings and based on the representations made by Respondent as to the volume of transactions and length of time it has been conducting an unlicensed money transmission business in Texas, the Commissioner finds that a penalty of \$65,070.05 is appropriate.
- 10. Respondent has agreed to comply with the terms that are set out in the Order below.
  - 11. Nothing in this Order shall prohibit Respondent from obtaining a money transmission license from the Department in the future.
  - 12. This Order does not restrict the Department with respect to any enforcement action or other recourse regarding any other violations by Respondent not now known to the Department that come to the attention of the Department. Nothing herein shall be construed to limit Respondent's right to contest any future finding or determination of non-compliance.
