

PROOF OF GOOD STANDING WITH THE TEXAS COMPTROLLER

To All Corporations:

The 70th Legislature passed House Bill 175, which provides that after August 31, 1987, a corporation that is delinquent in their franchise tax "...may not be awarded a contract by the state or an agency of the state and may not be granted a permit or license by the state or an agency of the state." You must submit proof of good standing with the Comptroller with all applications and renewals. Acceptable proof includes a Certificate of Account Status from the Comptroller's office, or a printout of your franchise tax details from the Comptroller's website: <https://mycpa.cpa.state.tx.us/coa/>.

The Certificate of Account Status is available from the Comptroller's office to corporations upon written request. Include your taxpayer name, ID number, and charter number with your request. A Certificate of Account Status is only valid for a specified period of time. It is not a permanent certificate and an expiration date will appear on the face. A certificate can be obtained by contacting:
