PRESS RELEASE

Date: February 19, 2010

2010 Financial Education Quarterly Teleconferences

Beginning in March, the Texas Department of Banking will host its first Financial Education Teleconference. The goal of these quarterly conference calls is to provide innovative ideas, best practices and examples of successful financial education programs in Texas. The target audience includes: financial institutions, teachers, government agencies, non-profit organizations and community leaders who are committed to or are interested in providing consumer education and improving financial literacy in their communities. Participation is free; however, registration is required.

Tuesday, March 23, 2010	2:30 – 3:30 CST	The Benefits of In-School Banking: Financial Education at An Early Age	Debby Loomis Assistant General Counsel Texas Department of Banking, Austin Dora Brown Senior Vice President International Bank of Commerce, McAllen

For more information, visit the Department's Financial Education section of the web or contact Financial Education Coordinator at (512) 475-1337.
