PRESS RELEASE

Date: September 1, 2022

2023 Annual Assessment Reduction

Commissioner Charles G. Cooper announced today that the 2023 annual assessment for the period of September through August will be reduced by at least 20%, per quarter for all Texas state-chartered banks and foreign bank agencies and branches.

Projections for fiscal year 2023 indicate additional revenue will not be needed to fund the Department's operations. The Department periodically reviews its budget position to determine if any additional reductions in assessments are warranted.

The Department, headquartered in Austin, employs approximately one hundred field examiners who are stationed in one of four regional offices in Dallas, Houston, San Antonio, or Lubbock. As of June 30, 2022, Texas had 213 state-chartered banks controlling over \$419.3 billion in assets. Additional information about the Texas Department of Banking can be found on the [website](#).
