Banking Commissioner Issues Consent Order Prohibiting Further Participation Relating to Chad Dingler

On October 19, 2022, Commissioner Charles G. Cooper issued a Consent Order Prohibiting Further Participation against Chad Dingler of Athens, Texas, a former employee of Citizens State Bank in Tyler, Texas.

The Commissioner determined that, based on credible evidence, Dingler's alleged actions satisfy the statutory requirements for the issuance of a prohibition order as set forth in Texas Finance Code § 35.003. Dingler agreed to the issuance of the Order without admitting or denying any violations of state or federal laws or regulations.

The Order provides that Dingler is perpetually prohibited from serving as a director, officer, or employee of any entity chartered, registered, permitted, or licensed by the Commissioner.

The Order is effective October 19, 2022 and is final and non-appealable as of that date. The full text of the [Order](#) can be viewed on the Department's website.
