### **PRESS RELEASE**

*Date: November 22, 2022*

### **Banking Commissioner Issues Consent Order Prohibiting Further Participation Relating to Matthew Louis Viera**

On November 15, 2022, Commissioner Charles G. Cooper issued a Consent Order Prohibiting Further Participation against Matthew Louis Viera of Corpus Christi, Texas, a former employee of Prosperity Bank, El Campo, Texas.

The Commissioner determined that, based on credible evidence, Viera's alleged actions satisfy the statutory requirements for the issuance of a prohibition order as set forth in Texas Finance Code § 35.003. Viera agreed to the issuance of the Order without admitting or denying any violations of state or federal laws or regulations.

The Order provides that Viera is perpetually prohibited from serving as a director, officer, or employee of any entity chartered, registered, permitted, or licensed by the Commissioner.

The Order is effective November 15, 2022 and is final and non-appealable as of that date. The full text of the [Order](#) can be viewed on the Department's website.
