PRESS RELEASE

Date: December 21, 2022

**Banking Commissioner Issues Order Relating to
Voyager Digital, LLC**

Commissioner Charles G. Cooper issued a Consent Order relating to Voyager Digital, LLC (Voyager) of Miami, Florida.

The Consent Order, effective December 20, 2022, was based on the Commissioner's finding that Voyager violated Texas Finance Code, Chapter 151, by providing money transmission services while it was neither licensed by the Department nor excluded from licensure requirements. Voyager has ceased unlicensed money transmission and agreed to the issuance of the Order without admitting any violation of state or federal laws or regulations.

Voyager has filed a bankruptcy petition in the United States Bankruptcy Court for the Southern District of New York.
