PRESS RELEASE

Date: August 26, 2024

2025 Annual Assessment Reduction

Texas Banking Commissioner Charles G. Cooper announced today that the 2025 annual assessment for the period of September through August will be reduced by at least 20% per quarter for all Texas state-chartered banks and foreign bank agencies and branches.

Projections for fiscal year 2025 indicate additional revenue will not be needed to fund the Department's operations. The Department periodically reviews its budget position to determine if any additional reductions in assessments are warranted.

The Department, headquartered in Austin, employs approximately one hundred field examiners who are stationed in one of four regional offices in Dallas, Houston, San Antonio, or Lubbock. As of August 26, 2024, Texas has 214 state-chartered banks controlling over \$443.4 billion in assets.
